post Layout (as it appears  
on Main page)

\* Final design subject to change

A hand-drawn diagram of a post layout. It consists of a large rectangular container. On the left side of the container is a square box labeled "Image?". To the right of this box are three small rectangular boxes, each labeled "Tag". Below the tags are three larger rectangular boxes stacked vertically, labeled "post title", "Link", and "Discussion". An arrow points from the "Discussion" box down to the text below.

Expands to a discussion  
page when clicked
